

**High Tide**  
Check the tide tables before walking on the beaches. Rising water can trap you against a cliff with no possibility of escape.

**Private Land**  
Private land occurs throughout the parks. Trespass across and use of private land without owner consent is prohibited.

**Heavy Surf**  
The pounding surf and rip currents are treacherous. Stay away from the water.

**Steep Cliffs**  
Cliffs are likely to crumble and slide. Climbing on them or walking near the edge invites catastrophe. Because of falling rocks, walking below cliffs is dangerous. Keep away!

**Falling Limbs**  
Tree limbs can fall during high winds, especially in old-growth forests.
